60 Spadina Road, Brampton, Ontario 

Senior Mobile Developer with 11+ years of experience building high-quality native and hybrid apps using Swift, Objective-C, Kotlin, and React Native. Skilled in MVVM architecture, performance optimization, and cross-platform development. Proven ability to lead development efforts, mentor teams, and deliver scalable, maintainable solutions.

Work History

Sr. Mobile Developer – CIBC, Toronto, ON

August 2024 – Present

- Developing the CIBC Online Banking application for U.S. customers using Kotlin Multiplatform (KMP) for shared business logic and SwiftUI for the iOS UI layer.
- Translating High-Level Designs (HLD) and Figma UI designs into modular, maintainable components.
- Authoring Low-Level Designs (LLD), writing unit test cases, and participating in code reviews to ensure quality and maintainability.
- Collaborating closely with cross-functional teams to align development efforts across platforms.

Technical Lead - HARMAN CONNECTED SERVICES, Bangalore, India

February 2022 - June 2023

- Spearheaded iOS development efforts, overseeing code quality, and conducting effective code reviews.
- Successfully led the migration of the Objective-C codebase to Swift, significantly improving code readability and maintainability.
- Prototyped solutions in React Native, exploring the potential for migrating the project to this technology stack.
- Pioneered the adoption of the MVVM architecture, enhancing code structure and maintainability.

Technical Lead - RapidValue IT Services Pvt. Ltd. - Acquired by ASPIRE SYSTEMS , Kochi, India

January 2019 - February 2022

- Led and supervised iOS and Android teams, ensuring code quality and effective project management in GIT and JIRA.
- Collaborated closely with the customer team to expedite development and resolve API-related issues.
- Seamlessly integrated third-party SDKs, enhancing app functionality, including Firebase Realtime Database, Twilio iOS SDK, Stripe SDK, and more.

IOS Team Lead - ILEAF SOLUTIONS PVT LTD, Kochi, India

April 2015 - January 2019

IOS Developer - ZERONE CONSULTING PVT LTD, Kochi, India

November 2012 - April 2015
